

About Us

We specialize in Residential & Commercial Title Services. It's our goal to establish a long-term relationship with all of our clients. By working together, we can deliver our services faster to help you close deals quickly and more efficiently. Your success is our success.

HISTORY

Pacific Coast Title Company was founded in 2008 by partners whose tenure in California Title Insurance stretches back decades. Our founders handpicked Customer Service Managers, Plant Managers, & Title Officers to create the perfect internal team comprised of highly motivated and solution oriented individuals.

UNDERWRITING

Pacific Coast Title Company is underwritten by the nation's largest underwriters which hold us to the highest Title Insurance standards. More importantly this allows us to issue a Title Insurance Policy on Residential and Commercial transactions regardless of the size of the transaction.

COVERAGE

Through our partnership with Meridian we are able to provide nationwide coverage for your Real Estate transaction and issue a Title Policy in any state within the continental United States.

TECHNOLOGY

We are strong believers in utilizing technology to help streamline all of the services & products that we provide. This same commitment to technology keeps us at the forefront of innovation to continually provide our clients with cutting edge tools & apps.

Our Mission:

To empower our clients through superior customer service, industry innovation, and our commitment to delivering on our promises.
